Congratulations to Dr. K S Chin on becoming an ASQ Fellow

Our world partner American Society for Quality (ASQ), the world's largest quality organization with more than 100,000 individual members and 1,100 corporate supporters, elected Ir. Dr. K S Chin, our former Chairman, a Fellow of ASQ in November 2007 in recognition of Dr. Chin's significant contributions to quality. Dr. Chin's citation reads as follows:

*For exceptional international service to the Chinese quality community as a representative of the American Society for Quality; for dedicated academic research into manufacturing applications of the theory and practice of quality in Hong Kong; and for inspiring leadership of national quality management initiatives in the entire Asia-Pacific region.*

An ASQ Fellow is an individual who has an established record of contributions to the quality profession. There are about 600 ASQ Fellows around the world. Dr Chin is the third scholar from the Greater China Region to have earned such a prestigious honor. The appointment represents an international recognition of achievements of HKSQ members.
