Visit (20th October 2006) to ASM Pacific Technology Ltd.

ASM Pacific Technology Ltd. was founded in 1975. It is now the world's largest assembly and packaging equipment supplier for the semiconductor industry with market capitalization exceeding US\$2 billion. ASM Pacific has been a learning organization that learns from its environment to anticipate customers' need. In turn, it endeavors to enhance its internal know-how through education and training. In its pursuit of excellence, it has adopted concurrent engineering, CAD/CAM/CAE, and ERP etc.

This visit offers us the rare opportunity to learn from ASM Pacific's Managing Director and Chief Technology Officer about their corporate culture and how they design reliable products.
